

THREE CORNERS CONNECTOR

A Grid United Project

Please Join Us

Three Corners Connector invites you to attend our upcoming Neighborhood Meeting at the Tom L. & Anna Marie Giodone Branch Library. To ensure flexibility for your schedule, the Neighborhood Meeting will have an open house format without a formal presentation. Please come whenever convenient for you. We'll have informational boards stationed around the room where Three Corners Connector representatives will introduce you to the project and answer your questions.

Event Details:

Date: Tuesday, March 11, 2025

Time: 6 pm-8 pm

Location: Tom L. & Anna Marie Giodone Branch Library,
24655 US-50 BUS in Pueblo

If you are unable to attend and have questions, you can contact us by phone (877-623-4651) or email (info@threecornersconnector.com).

About Three Corners Connector

Three Corners Connector is a transmission line that will connect the western and eastern electric grids between Pueblo, Colorado and the Oklahoma Panhandle. Responding to power demand, Three Corners Connector will bidirectionally transport all generation sources of electricity.
